## Akbari Stores (Pvt.) Ltd.

**Akbari Stores** was established in 1948 by late Sheikh Sirajud Din Ahmad and his son late Sheikh Fazal Elahi Akbar. It is the founding stone of Akbari Group of Companies. It was a humble beginning catering only the materials related to the textile and soap industries.

The store was located in the vicinity of the Akbari Gate in the heart of the business hub of Lahore, was thus named Akbari Stores. The present building that houses the head office and the main sales outlet is not far from this historic place. The company has come a long way since; growing, expanding and diversifying along the way. It has now been a trusted source of industrial chemicals in Pakistan for more than seven decades.
